FLORENTIAN

THE 1982 FLORENTIAN

**CENTRAL CATHOLIC
LAWRENCE, MA**

"You know the Our Lord does not look at the greatness or the difficulty of an action, but at the love with which you do it."

-St. Theresa of the Child Jesus
Patroness of Central Catholic

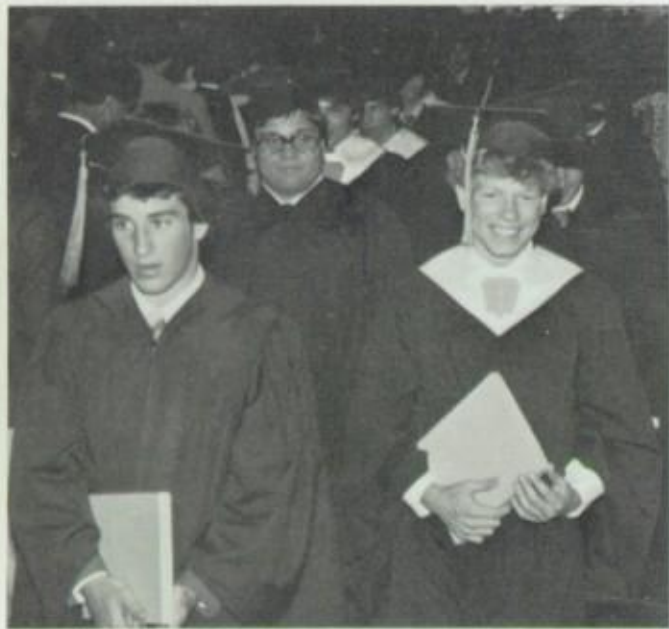

"Jesus does not need our
deeds, but He does need our
love."

-St. Theresa

"Oh, how I love the Blessed Virgin She is described as unapproachable, whereas she should be pointed to as a model"

"She is more of a Mother than
a Queen."

-St. Theresa

1982 FLORENTIAN DEDICATION

This year's yearbook dedication goes to a teacher who has exemplified what Central Catholic stands for. This school, built on a foundation of love, service, Christian values and knowledge, has had many wonderful teachers walk through its halls. The Class of 1982 wishes to honor another magnificent teacher.

A teacher must be more than someone who drills facts into a student's head. A teacher must make the subject matter come alive for the students. Every lesson should be incorporated into life, so that we are not learning about a distant ideal, but rather experiencing a way of life from which we will learn and grow.

This man is so knowledgeable about his subject matter, it makes a student's mind whirl! No one can deny his passion for history; the way he brings it alive for students makes it all the more enjoyable.

He is like an uncle to all of us. He takes an active interest in who we are, what we like, and where we are going. His often sharp, always funny comments bring a bright smile to a dreary day.

He has become a vital member of the Central Catholic community. Seniors have gotten to know him through his involvement with the track teams and others have gotten to know him through having him as a teacher.

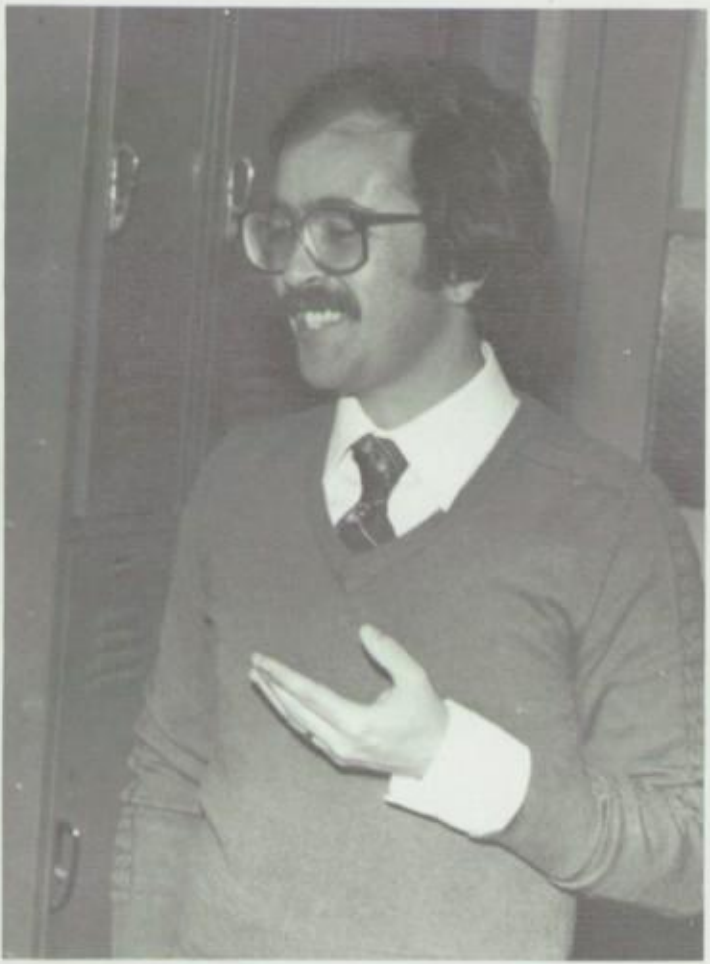

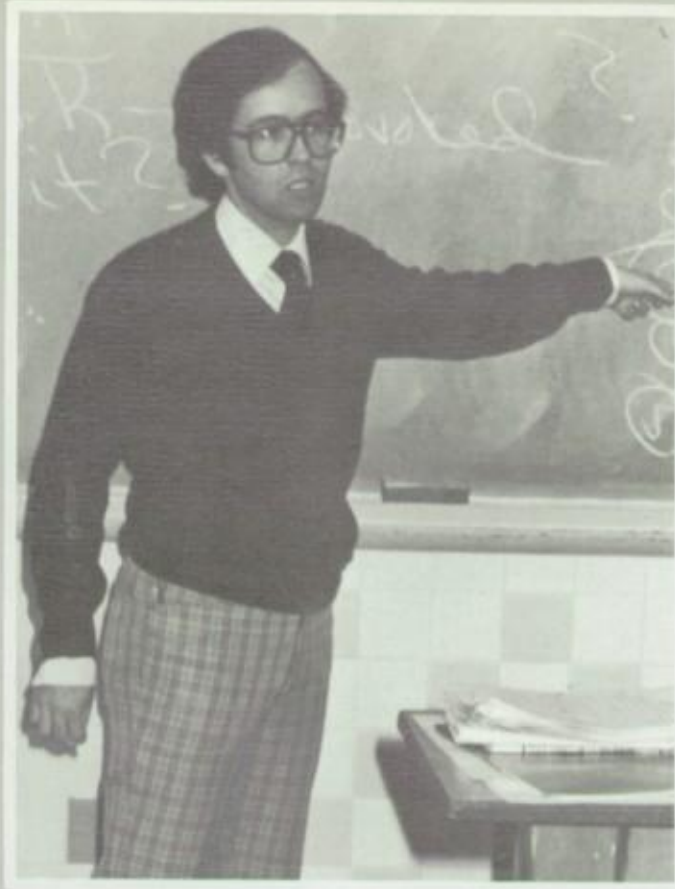

He always asks more from us than we think we can give. He is slow to condemn and quick to praise students.

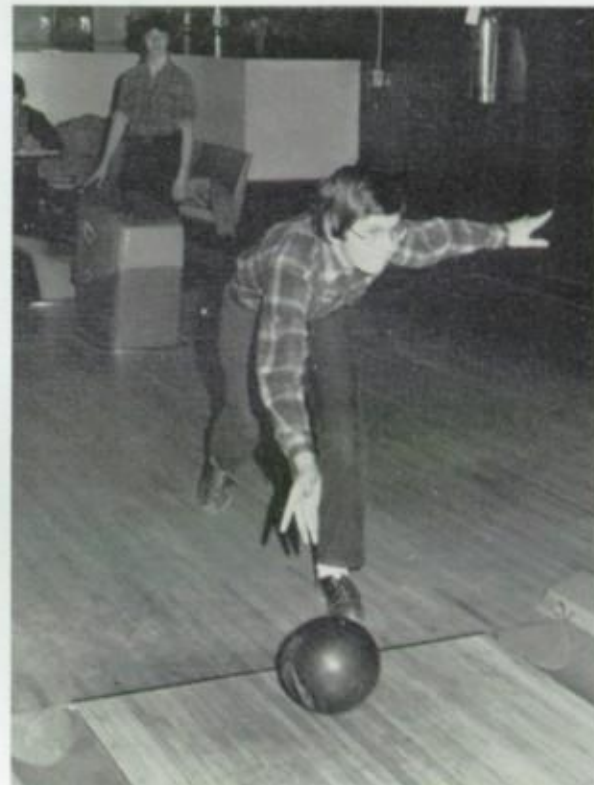

His love for the human condition shows in his teaching. He advocates government for the people as well as people helping people. In his own way, he shows us how we should live - always thinking of others.

Each senior must have a joke or a story that he has shared with this man. We will always remember him for the joy, laughter, and knowledge he has shared with us.

For everything he has done for us, the Class of 1982 wishes to dedicate its yearbook to Mr. Leo McCue, with love and gratitude.
